## ***GOD IS GOOD!***

*The LORD is my strength and song,  
and is become my salvation.  
The voice of rejoicing and salvation  
is in the tabernacles of the righteous:  
the right hand of the LORD doeth valiantly.  
The right hand of the LORD is exalted:  
the right hand of the LORD doeth valiantly.*

*I will praise thee: for thou hast heard me,  
and art become my salvation.  
The stone which the builders refused is  
become the head stone of the corner.  
This is the LORD's doing;  
it is marvellous in our eyes.  
This is the day which the LORD hath made;  
we will rejoice and be glad in it.*

*Psalm 118:14-16; 21-24*

## *In Position*

Don't you ever forget it, saith God, love not only never fails, it never **falls**. Love glorifies Me, saith the Lord God Almighty. If you are walking in the love that is ultimate, if you are walking in the hot white heated love of My glory and of My Person everything that you say, everything that you do, and everything that you think will glorify Me. That is the way you can measure the standard of your own self and of your life. You can say, "Does it bring glory to God?" What I am thinking, does it bring glory to God?

Have you made a resolve like David that you will set no evil thing before your eyes in your own home - in the power of the secret place where nobody knows but you and Me? For I am one Who sees face to face. Do you glorify Me not only in your thoughts and in what you see, but do you glorify Me by what you say and do?

Do you judge Me by circumstances and situations and by what other people are saying and what other people are doing and by what other people are thinking? Or do you judge Me day after day after day by Who I am? I am the Lord thy God. I Am that I Am. I am the same God to you that I was to Moses and I am the same God to you that I was to Abraham.

Who am I? I am the Lord thy God. I Am that I Am. I am the same God to you that I was to Moses and I am the same God to you that I was to Abraham.

I am about to bust open the very gates of hell that have been allowed to prevail in your nation. It will be a nation-wide glorification of My glory. Men and women, young and old shall know that I am the Lord God Almighty and that none other prevails. As you have been one who turns back the battle at the gates, I have given you strength and I will continue to strengthen you that you will know what it really means, "Not by might, nor by power, but by My Spirit," saith the Lord.

I have called you a holy people, a people precious unto Me. That is only possible as you walk in willingness and in obedience to Me and to My great command to love others as I have loved you. But also in willingness and obedience to My destiny that I have for you. It is no accident that you are in this world at this time. But for such a time as this, as I had Esther positioned, placed, ready, for such a time - so I have you! Will you get in your place? Will you stay in a place of readiness? Will you walk in the Spirit and not fulfill the works of the flesh?

The only way you are going to win this war, saith God, is by the power of My Spirit, by the power of My blood and the New Covenant that is in that blood—all powerful, all precious, and yes, even

all knowing. For life and abundant life, super-abundantly above all you could ask or imagine, dream of, or think is in the blood. It is in the New Covenant in the blood. I have made provision for you. Will you accept what I have done?

## *Let The Light Shine!*

God is shining His light as never before on you and into the darkness. That darkness cannot swallow or defeat or put it out, and cannot even comprehend it. Jesus is the light of the world and He left that legacy to us. We are the light of the world.

It may be a dark time you are walking through, but God's supply never runs out. We are living in a time when supplies are running out for some. The Intercessor the Lord Jesus lives in you – the Intercessor, Holy Spirit lives in you, the blood of Jesus cries out better things than the blood of Abel, and He is crying out for you. The church is crying out for you. All creation is crying out for you – interceding.

You are going to do this as well - intercede. This is where we are. In the midst of everything, we must stand up and be strong, and be bold and do this: "Thou shalt also decree a thing and it shall be established unto thee: and the light shall shine upon thy ways." As in Genesis 1:1-3 the Holy Spirit moved first, and then God spoke. When the Holy Spirit moves in your life and God speaks, light is going to be where there has been darkness.

Light stands for enlightenment. It means happiness. Light is an indicator of time, shining upon your ways. When you decree a thing, it is only a matter of time before it comes to pass. Light regulates the seasons. It may be a dark period you are walking through, but light comes as you decree the Word of the living God and your season will change into the light of God. It also displays God's glory as the Shekinah did. Are there things that concern you that you know you 'can't'? We can't, but God can.

# Let's Celebrate!

The A Great Love “Celebration” conference held at the New & Living Way Foursquare Church in Mt. Airy, about half way between Toccoa and Cornelia, GA, was a powerful time of God’s **Revelation, Impartation, and Consecration**. Those were outcomes to be expected as prophesied by Pastor and Prophet Philip Derber of Frankfort, KY. Apostle Merck led, Holy Spirit being fully in charge. Pastor Philip co-led with his RVN band, who took us “as high as we wanted to go” in worship. And we camped out in high places during the entire weekend.

Thursday evening, along with the RVN Band, we worshiped until we were unmistakably at God’s throne. His Glory didn’t have to come down. We went up to it. Apostle Merck prophesied and sang powerfully in the Spirit. There was warfare in the air and warfare dancing around the room. The microphone was passed from one to another as strong prophetic gifts were released on individuals. People were slain or staggering under the wind that was blowing. And that was before the teaching! Apostle Merck said it was the “whirlwind” anointing taking away things in our lives that could never return. (See Nahum 1:7-9 NIV translation).

She told us of God ministering to her personally in Houston a few months earlier and how a prophetic word spoken directly to her through an anointed couple “went like a lightning bolt into my spirit”. She recalled how God gave her the message on the spirit of python back in ’87 and of the warfare since; and of the link between the spirit of python and mammon, a two-headed beast (**just get the CD’s**).

Apostle Merck began the teaching for the conference with this question: “Does the Word always work”? You might have shared some of the surprise when you heard, it does not. “... the trial of your faith ...”

What, you say? But then, we heard of the four kinds of soil in Matthew, Mark, and Luke and realized that as powerful as God’s Word is, it only has lasting work in “good soil”. We looked at Psalm 18:30 to see “God, his way is perfect; the Word of the Lord is tried”. His Word has already been tried and proven. So why doesn’t His Word work for us? It does, but we must consider the soil. The devil wants to take the tried and true Word away from you saying you cannot be set free from whatever is holding you back. The devil wants to convince you that you are not blessed.

God's Word **is** your Promise and there is wonderful joy ahead. **Just get the CD's or talk to someone who was there** because there was so much more that will speak to you through this message...which continued the next morning.

We picked up Friday morning with worship led by the RVN Band. Apostle Merck continued teaching on God's Word and why the "soil" of our lives can prevent lasting work. It was a teaching to us...and even more, into the atmosphere, to the body of Christ. We need to be honest...is the Word working? Do we hear a Word and find the truth or joy of it gone all too quickly? Just how deep do we let ourselves go in the truths of God's Word...how often do we fellowship in His Word and assemble with His saints? Are we hearing things in our minds and not our hearts? How easy is it to maintain joy & thankfulness in our lives? How is our faith and patience? We know the problem is not in the seed, God's Word, but with the soil. Good soil is good because it is filled with God. OH...there was so much more; but we had to get ready for the evening meeting where we would hear a Word that opened our eyes to a truth of 9/11!

Friday night, Pastor Philip gave us a revelation from God about 9/11. It was one of three "Words" working in

him, but the one Apostle Merck pointed out we needed to hear. Did you know that most historians point to Jesus's birthday as September 11? We were cautioned not to make a doctrine out of numbers but to understand that numbers have their significance. Whereas demonic significance of numbers is often derived from the stars, God gives us the significance of numbers from His Word. "9" stands for an end, conclusion, finality, and even judgment. "11" stands for the undoing of order, disorganization, or disintegration. 911 together stands for finality due to the disorder of whatever is in place at the time.

In reality, this 9/11 event was an attack to bring disorder to our nation's finances, our confidence, and ultimately our military. The financial health of our nation impacts the strength of our military (Ezekiel 29:17). Our strength and ability to stay free and enjoy liberty is due to our strong military. You can see the parallel in the Kingdom. The ability of our spiritual generals to take the Word where God desires depends on funding (Romans 10:14-15). If the devil can get us to confess fear in finances, he can limit our funding the Kingdom. "America wasn't judged simply for doing something wrong, but for doing something right"! "There shall be upon every high mountain and every high hill, rivers and streams of waters in the day of the great slaughter, when the towers fall" (Isaiah 30:25). God isn't

through with America but has strong streams of His Spirit running through us; and He is going to do something powerful through us in the time ahead. We looked at Genesis 9:11 and Revelation 9:11. How can we give justice to this message without saying, **just get the CD's.**

On Saturday morning...or was it afternoon (we started at 10 A.M. and finished around 2:30 P.M.), Apostle Merck concluded the message on "Does God's Word Work" and the character of our spiritual soil. We heard about the kind of soil in our lives that can prevent the working of God's Word, even a personal prophetic word. "Let him that thinks he stands, take heed lest he fall" (First Corinthians 10:12). She concluded with the 30, 60, and 100-fold principle emphasizing the honest and good heart. How important it is to love God's Word. "Great Peace have they who love Your law and nothing shall offend them or make them stumble" (Psalm 119:165 AMP). There is a great harvest for those who do not get offended because they obey God and remain in His Word...hearing, hearing, and hearing His Word. Their minds will be renewed, their faith will remain strong, and their harvest will be abundant by His Word. The communion and personal ministry to each of us following this Word was powerful and remains with us as we speak.

Please understand that this summary of events and teaching was from our notes only, and that just a little. It's interesting how scriptural truths, that you have heard about 100 times, become brand new and the best you have ever heard when you are under the anointing. You have to be at a conference to appreciate the full impact.

*(Let The Light Shine continued from p. 3)*

Light is opposite to the walk in darkness. It symbolizes prosperity. Darkness is associated with fear, with death, failure, suffering, folly, and sin. But light is associated with life, salvation, prosperity, wisdom, and justice.

"Lord, I pray for each one that as never before they will know the blessedness of Almighty God. It is not by might, nor by power, but by Your Spirit. It is the very Holy Spirit Who will do the warfare and Who is the leader of the armies of the host.
